-------------	---------	--------------------------	--

3. Finish

The race finishes at the start of the chute – please slow to a walk in the chute. Never pass anyone in the chute – places relate to times recorded at the start of the chute.

4. Basic Road Running Rules

- 4.1 You must obey all road traffic laws and directions given by the Police.
- 4.2 Always run on the right hand side of the road unless directed otherwise. Run with the two C's in mind - Caution and Commonsense. Runners do not have the right of way, so don't expect it. In a collision the runner will be the loser every time.
